

Re: Plainview Old Bethpage Synthetic Turf Field

54 Audrey Avenue
Oyster Bay, NY 11771

Dear

I am writing to ask that you please inquire in to what can be done to have a lighted, synthetic turf multi-sport field installed in the Plainview-Old Bethpage area.

As a resident I am directly impacted by the lack of sufficient fields on which to participate in athletics in the Plainview-Old Bethpage area. I strongly believe that a lighted, synthetic turf multi-sport field whether installed at one of the Schools or Town of Oyster Bay Parks within Plainview-Old Bethpage would greatly increase the number of children involved in youth athletics and benefit those currently playing. Many communities in the Town of Oyster Bay already have such fields including Jericho, Syosset, Bethpage, Massapequa and Hicksville.

Please help the youth of Plainview-Old Bethpage in participating in athletics by installing a lighted, synthetic turf field in Plainview-Old Bethpage.

Sincerely,
